

Welcome Back - Summer Term starts here!

WELCOME back to all our parents, carers, children and staff. I hope you all had an enjoyable and restful Easter and are ready for the new term ahead.

This term in addition to working hard and continuing our learning we will be looking forward to a special royal lunch during our Royal Theme week, displaying our fitness on Sports Day and enjoying ourselves at our great Summer Fayre.

I look forward to seeing you all during the term and thank you for your continued support.

E. Dyer

Join the Club!

THIS Tuesday saw the issue of the new club leaflet for after school clubs for this term. Please check school bags if you haven't seen one. We will be allocating places in the clubs next week and you should know by Friday which club your child will be in. Please do not forget to contact the external club companies as soon as possible to ensure your child's space. All clubs must be paid prior to the club starting.

Summer Wardrobe

IT's that time of year when we are all looking forward to wearing our summer clothes and here at ACE is no different. As we are now in the Summer Term girls may wear a blue/white check dress to school and everyone may wear a polo shirt.

Looking smart and proudly wearing their summer dresses are Annie, Macey and Daisy from Year 3.

LEARN TO SWIM: Staines Swimming Club offers swimming lessons locally. For full details please see their flyer, accessed here:

Reading the situation

WHAT A pleasure it is to be able to sit and relax and get lost in a good book. Most of us enjoy reading be it a book or a newspaper or magazine and as a school we encourage all our parents to read with their children everyday. But did you know that recent research has shown that the best way to develop a child's empathy is to read. Reading with your child may help them to think about their feelings and the feeling of others which is key to them developing understanding for others. Children who are exposed to more storybooks are proven to be better at understanding thoughts and emotions. So instead of watching television or playing computer games, why not sit down with your child and get lost in a good book.

PLEASE ENSURE you contact the school office by 8.45 if your child is unable to attend school. This enables us to keep our attendance records up to date.

It is also important that parents complete a PINK slip if their child has a medical or dental appointment before the appointment so the teacher knows your child will be away from school.
