

It's a Bugs life!

OUR RECEPTION children have been learning about all things creepy crawly this term. They have had the opportunity to be up close with worms, ants and caterpillars. The children have been observing the differences and similarities between these animals and understanding their habitats.

We are hoping for a very exciting arrival later this term when the caterpillars complete their metamorphosis into butterflies - the children are keeping a watchful eye on any changes so parents should expect regular updates!

Making your life a little easier

DID YOU know that you can pay online for your child's school dinners, school trips and for any other reason you may need to send money into school? Collect your unique login and password from the school office to provide you with easy, secure access to the school online payment system. No more queuing in the school office or children misplacing the money filled envelopes!

REMINDERS

AFTER school clubs commence this week. Any unpaid places will be reallocated. Please see the school office with any questions. Please remember **Gymnastics and Basketball** are facilitated by external companies, so you will need to contact them directly with any problems (contact details are in club booklet).

PLEASE ensure your child has PE kit in school at all times to enable them to take part in this important part of the curriculum.

FORMS must be completed and given to the school office if your child is starting or stopping school dinners. One week's notice must also be given.

THE weather is starting to heat up. Make sure you send your child into school wearing sunscreen and a hat when the weather dictates this.

DON'T forget next Monday 4 May is a Bank Holiday and school will be closed.

School will also be closed on polling day - Thursday 7 May.

YEAR 6 Maths Booster classes will finish tonight - Monday 27 April.
