DON'T FORGET

YEAR 3 are attending the British Transport Museum this Thursday 5 February.

ONLY CHILDREN in Y5 and Y6 who walk to or from school alone may bring mobile phones into school and these are to be handed into the school office where they will be locked away in named pouches on arrival and are available to collect just before home time.

PARENT/TEACHER consultations are planned for 4/5 March. Letters will be sent home with further details before half term.

IT'S THAT time of the school year once more ...the school is a hive of activity preparing for Friday's Spring Fayre.

Don't forget your entries for the decorated filled jar competition and donations for the cake stalls - all of which are always gratefully received! (no nuts please). As you know, we need as many hands on deck as possible, so please sign up with your child's teacher if you can help...many hands make light work!

THIS YEAR'S Sainsbury's Active Kids voucher scheme has started and we are collecting. We have really benefitted from this scheme in the past and are eager to buy more playtime equipment this year. The collection box is located by the school hall doors.
