HIGHLIGHTS

Lookout here come Year 2!

EXCITED Year 2 pupils enjoyed an informative if slightly damp trip to the Bracknell Look Out Centre on Wednesday. Exploring many areas of science they were able to join in with many activities including the use of magnets and electricity, building parts of the body and releasing hot air balloons. Some were even able to create a vortex. Despite the wet weather many children took the opportunity to explore the nearby woods, climbing on logs, creating pictures and exploring the environment. We'd like to thank our fabulous parents who joined us for the day, without whom the trip would not have been possible.

Putting our best foot forward

GETTING to try something new was top of the agenda at Monday's Spelthorne Athletics competition.

On Monday an eager team of Year 6 athletes headed to Spelthorne Leisure Centre to participate and compete against 11 other local schools in the Spelthorne Primary Sportshall Athletics Event.

The team fiercely competed in a range of indoor sports including:

obstacle races, speed bounce, relay races, soft javelin, chest push and a range of jumping events. The team tried.

The team tried hard, supported each other and were a credit to the school. One of the main aims of the afternoon was for them to try a new sport and to have fun. As Jamie B recalls:

"The Athletics competition was really fun. It was great participating and cheering on the rest of the team. It was a really good time."

Parent Prayer Group

THE next parents prayer group will take place on Thursday 13 February from 8pm—9pm. Please put any prayer requests in the gold box in the school reception area. For venue please speak to school office.

Be careful!

EXPECT to see an increased police presence around the school at the start and end of the school day.

This is because of numerous complaints from neighbours about inconsiderate parking.

Parents should also be aware that parking on the zig zags is an endorsable offence. It will result in three points on a driving licence and is subject to an immediate £100 fine.

- ◆ Year 2 Trip to the Lookout Centre
- ◆ Year 6 Athletics Event
- ◆ Developing Thinking Skills Workshop

PARENTS PLEASE note ... there is a Nit alert in Year 3

WE HAVE a medical condition in Reception class at the moment. A child has Chicken Pox. If you have any concerns, please consult your doctor.

Thinking Skills

WHY do we think the way we do? Come and find out at our interesting workshop on Wednesday 12 February at 4.30pm in the Hall. All parents and children welcome.

A sweet result

CONGRATULATIONS to our decorated sweet jar winners:

Infants: Jessica-Lily from Zebras, Juniors: Ella from Rhinos, the class with most jars was Koala.
