

Our Number One School Rule

"WE respect each other " is the first school rule here at ACE and the children this week have been learning the wider aspects of this during our respect theme week.

What is Respect?

WHAT does respect mean and how do you show it? Maggie from Zebra class said it is being kind to each other and saying please and thank you. Tilly said it is being nice to somebody without expecting anything in return.

Safer Internet Day

TUESDAY was our day for learning about how to keep safe on the internet. Finn from Meerkat class learnt that he must have a parent nearby and beware of rude things

on YouTube. Erin found out that people can rob you if you give out your name and address.

We were delighted at the attendance at our Safer Internet Workshop on Tuesday evening where parents were also given the opportunity to learn about internet safety. The parents that attended agreed that the content of the workshop was very informative and necessary to keep our children safe.

Say no to bullying

DAY 3 and the topic for today is bullying. It is a word we hear a lot but what is it? Ben from Elephant class reported that it is where somebody would pick on somebody constantly. Isabelle said that you should tell an adult if this happens. The children used role play to help them learn that conflict is different from bullying and the different ways of solving problems and playground issues.

Respecting our World

RESPECT is not just about people. On Thursday we discovered it was about so much more. We respect our school and our Christian values. We show respect to our visitors and look after school property. We found out that we can respect our planet by recycling our waste and conserve energy by switching off lights and TV's when we are not using them.

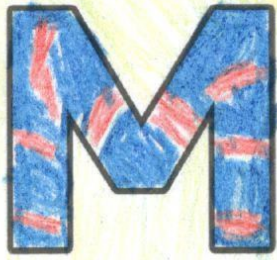

Proud of our British Values

LAST but not least we spent today discovering the meaning of British Values. We already know that how we behave can affect others and that everybody deserves fairness and respect even if they are different from us. Today taught us that there are laws in place in Britain that ensures everybody is treated fairly and with respect. We should all be tolerant of others no matter how different they may seem.

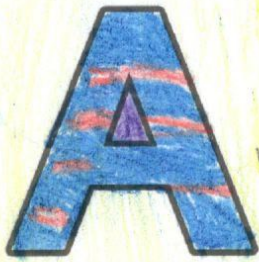

Keep SMART— see poster overleaf . Drawn by Zoe from Zebra Class

A large, hand-drawn letter 'S' in blue with red and white horizontal stripes.

Stay safe at all times.

A large, hand-drawn letter 'M' in blue with red and white horizontal stripes.

Must tell an adult if you are scared!

A large, hand-drawn letter 'A' in blue with red and white horizontal stripes.

Always tell an adult before you go on the internet.

A large, hand-drawn letter 'R' in blue with red and white horizontal stripes.

Remember people you don't know are strangers.

A large, hand-drawn letter 'T' in blue with red and white horizontal stripes.

Try and be nice to everyone.
