

Three little words—Yes I can!

As we close out this half term, we come to the end of our iShare learning theme, No Fear. Since coming back to school in January, the children have been trying their absolute hardest to have an 'I can' attitude in and out of school. We've even introduced the 'I Can' can, pictured below with Faith and Summer. Children have been writing down examples of goals they have set for themselves to prove how they are living up to the Bible verse, "I can do all things through Christ who gives me strength." Philippians 4:13. Here are some examples:

I CAN get a green card every day!

I CAN try my best in everything I do!

I CAN be a role model for everyone to see!

I CAN learn the ukulele by the end of February - Jessica, I'll be checking up on that one!

Please join me in wishing the children all the best in striving to achieve their goals.

Thank you and have a great half term break

Mr Austin

Moving with the times

AS you should all be aware by now you will be able to book your appointment for our forthcoming Parent/Teacher consultations through Tucasi. If you already pay school money online you will already have access to the system. If not you should have received a letter with your online access code.

You will not be able to book your appointment until 25 February at 7pm. This is when the system will go 'live'
