

ACE steps back in time

A FORTNIGHT OF FUN will begin on Monday 6 March as we continue with our 200th Anniversary celebrations. Monday will see our school go back in time to 1817 and the children will spend the day in a Victorian school. The classrooms will look different as they all sit in rows and learn what it was like to go to school all those years ago. No dress up is required on this day but you may notice the teachers looking slightly different!

There will also be some special art activities and we are looking for large fabric pieces so if you have any old clean sheets or curtains please bring them to school.

Look out for a special room at the Spring Fayre where you will be able to see items and pictures from the past. If you are a past pupil or know anybody that was and have any pictures or items your could loan us for this exhibition please email the school office on: info@ashford-primary.surrey.sch.uk

Spring Fayre update

We are collecting second hand uniform and fancy dress - please put yours in the bin at the school gate.

Want to wear mufti next Friday? Then you can but don't forget to bring your gift or bottle for the tombola.

Get decorating your filled jars and fill them with

sweets or toys (remember our no nut policy) We will be collecting them from Monday 6 March. There will be a prize for the class that brings in the most jars.

A bug's life!

RECEPTION children have a creepy crawly theme this half term and have opened their very own bug hotel. They are hoping that some very special visitors will check in. Perhaps a few spiders and earwigs or maybe a centipede. We are hoping a few worms will come to stay—they may even get moved to the new wormery!

An easy life

PLEASE make sure you keep up to date with your school bills eg trip payments, dinner money, building & maintenance. Make your life easier and avoid reminders by paying using our online system. Get your online link code from the school office .

Love thy neighbour

PLEASE can we ask all of our parents who drive to school to consider our neighbours when parking and try not to park obstructing driveways. Our children's health and safety is of utmost importance to us so as well as parking safely can we please request that you do not leave your engines running while outside of school so we can look after our children and the environment.

Who are you?

WE are looking forward to guessing all the book characters

next Thursday when we all dress up to celebrate World Book Day.
