

Mirror, Mirror on the wall...

... who is the fairest of them all? Of course we all know now that it is Snow White. Lots of excited faces looked on with joy as the children all watched the Snow White Pantomime today. Lots of singing and laughter could be heard from the hall. Thanks to all your contributions that enabled us to give the children this wonderful experience.

Picture by William B—Lemur Class

Not only the joy of Panto but a delicious Snow White themed special lunch was enjoyed on Thursday with Sausage and Mash and a delicious Apple Cake for afters. All eaten in a Snow White decorated hall with sing-a-long Disney music!

Your opinion counts

TODAY you will have received via email a link to a parent survey. Since September we have made a number of changes to our school worship which enhances our deeply rooted school Christian ethos. Our new school vision has been widely circulated and is available on the website and we would like your views on how you think these new changes have impacted on your child(ren). Your views and suggestions are very important to us and we thank you in advance for taking the time to fill in the survey.

What's ha-pen-ning in Year 4?

Mrs Wayland and Mr Austin popped into see Year 4 this week, and were transported through the wardrobe into the world of Narnia through the brilliant writing going on. Year 4 have been studying CS Lewis' books and using them for inspiration in their own compositions. They were overjoyed with the quality of some of the compositions. Mr Austin even awarded some new pen licences.

Saving time and paper

WE are very excited to announce that we will very soon have a new procedure for booking your appointment for our forthcoming Parent/Teacher consultations in March. Bringing us up to date with modern technology you will be able to book to see your child's teacher online. The new system is actually an addition to our online payment system. It will require all parents to have an online code to access the system and you should be able to book your appointment using your smartphone. Look out for a letter coming home soon containing all the details you will need.

Weekly Reflection

Negativity is the enemy of creativity

- David Lynch
