

Bursting with pride at St.Pauls

ON the anniversary of the day that Mr Foxall gave 100 pounds to start our school and as part of our celebrations of this 200th year we were invited by the London Diocese Board for Schools to take 18 of our children to take a leading part in special service at St Pauls Cathedral. The

service was not only for our anniversary but for 2 other schools who were also celebrating milestone birthdays and to honour Mrs Elizabeth Wolverson—Director School Support Services for her long service and dedication. Our children led the Bishop of London and church elders into the cathedral for the start of the service and we gave thanks to God for our wonderful school. We were very proud of our school and the children who took part. Visit our website for full story.

Monstrous Mountains

AS part of their theme, year 3 children were lucky to be visited by Mark Pinnock who is one of only three people who have the highest peak on all 7 continents at the first attempt. As well as learning about his experiences they got to look at the equipment needed including an enormous pair of boots and a thick weatherproof coat that Adam (pictured) from Lemur class even got to try it on!

Get fizzical!

BRUSH up on your general knowledge and come along and have a fun evening at the PTA Fizz Quiz. This is a great chance for an evening out with other parents and carers. There will be questions to suit everybody so why not get a team together and join us on Friday 3 February for a fun evening. Drinks will be available to purchase and tickets are £5 each and include nibbles. Get yours before and after school on Monday, Tuesday and Wednesday next week.

Miss it—miss out!

Coughs and Sneezes

IT's that time of year when we are not only feeling cold but catching colds too. We go through boxes and boxes of tissues at school especially at the moment. If you can, when you are doing your weekly please pop an extra box of tissues in your trolley for school and help us keep germs at bay!

Reminders

- Please ensure your child's lunchbox is clearly marked with their name as we have many identical ones.
- During this cold spell please ensure your child has a warm coat and hat and gloves in school.
- Fashion glasses are not permitted in school—prescription glasses only please.
