

A Little village for little people

THE wetness of the day did not dampen the spirits of our Reception children on Wednesday as they headed off on their first school trip.

Bekonscot Model

Village was our destination. Despite the rain the children's faces were filled with joy as they explored this miniature 1930's world.

The appliance of Science

Ella, Briony, Isla and Liana from Buffalo Class making their rocket car.

A VISIT from BP proved very interesting for Year 5 this week. As part of their science based theme they looked at the bloodhound rocket car. The bloodhound rocket car is a supersonic car that is build to go not only faster than the speed of sound but over 1000 mph. They built their own rocket cars to investigate forces, friction and motion.

Changes to school next week

- Remember the school will be closed on Tuesday 5 July due to a strike by the National Union of Teachers.
- Moving up day will now be on Wednesday 6 July.
- All Spelthorne secondary schools transfers days will go ahead as planned on 5 & 6 July.

Free school lunch

DID you know... your child may qualify for a free packed lunch when on a school trip. We have just introduced a new service for children

whose parents are currently claiming means tested income support and are having free school meals. If your child is going on a trip and you feel that you qualify for this service please speak to the school office as soon as you receive the trip information. The packed lunch will consist of a sandwich, a biscuit, a piece of fruit and a drink.
