

## Terrific Torquay

ON A glorious Monday morning our Year 6 students set off for their residential trip to Barton Hall in Torquay, Devon. Stopping at Stonehenge (pictured) en route they enjoyed a fun filled week of activities. Putting their skills and abilities to the test they tried quad biking, archery, dry skiing, rafting and many other activities including a giant swing. They were treated to a pool party and learnt some new songs which they were able to sing around the camp fire on the last night. Year 5 children get ready—it will be your turn next year!

OUR revised sports day will be taking place on Monday 7 July from 9.30—11.30 am.

I am sending a letter home today to let parents know that teachers will be striking on Thursday 10 July. We expect Year 6 to be open and all other years to be closed.

## A mini world for mini people

EXCITED children from our reception classes set off on Monday to have a giant adventure in a miniature world. A good time was had by both children and adults exploring the five model villages and the miniature railway.

## Sporting stars

CERTIFICATES were presented by Mary West from Spelthorne Borough Council to our children who participated in this years P & G Surrey Youth Games. Spelthorne was also awarded the Fair Play Award. Well done to all our participants.

## We're going green!

BUT it's not with envy. It's with our conscience. This edition is our final paper version. From next week the school is going paperless.

Correspondence will go home via email. If you aren't on our emailing system, please let us know. We don't want parents to miss

out on vital news and information about things happening in school. And all our communications and a lot more information will always be available on the school website.
