ACE's HIGH*lights*

A sizzling summer success!

WOW what a Summer Fayre that was!! Last Friday's Fayre has been declared a roaring success. It was amazing to see so many of you come out to enjoy this year's event. A huge thank you to the PTA who put together an incredible Fayre and more importantly raised a staggering amount of money for our school. The overall total was £7853 smashing all previous records. We are so grateful to everybody who helped make this event so much fun for children and parents. A big thank you to you all.

Art attack!

WHAT does this picture mean to you? Art says different things to different people. Next week will be art week in school and we will be using this famous painting 'beach scene by Degas' and will base our learning around this. We hope there may be some of our work on display at the forthcoming Open Day.

Summer holiday fun

SUMMER holidays can be fun but sometimes seem long if you haven't got an plans. How about planning a family orienteering day? You don't know what it is? Well, the aim is to find a number of markers in the park with a map. This is educational and fun! There are a number of parks participating throughout July and August. For more details go to : www.spelthorne.gov.uk/whatson

Sports Day

WE are hoping that things will cool down and our revised Sports Day will go ahead. Please add Monday 16 July to your diaries and hope for a great day!

Year 6 Performance

THE Year 6 children will be performing Cinderella Rockefella next week on Tuesday and Thursday evening. Year 6 parents—don't forget to order your tickets by Monday morning!

Here comes summer!

Don't forget term ends for the Summer holidays on Friday 20 July at 2pm . Remember to take everything home.

Weekly reflection

This half term our Christian Value is Justice. Justice is …

Judging what is right

Understanding what is fair

Standing up for those who need help

Trying to listen to both sides

Informed and wise decisions

Caring enough to take action

Equal opportunities for all
