

## A Message from Mrs Dyer

I WISH you all an enjoyable and peaceful holiday with time to enjoy friends and family. The end of a very successful school year has arrived and, as we all bask in what is finally summer weather, September seems ages away.

However, the new term will soon be upon us and we will be working hard and looking forward to the beginning of our 200th year in 2017.

My grateful thanks go to the team of teaching staff, teaching assistants, caretakers and support staff for their dedication and hard work over the last year. I am sure you will join me in saying a sad goodbye to some of our team, wishing them well in their new roles in other schools whilst warmly welcoming new staff members who join us.

I would like to congratulate all our children on their energy, hard work and enthusiasm for learning throughout the year and thank them for their effort.

We are sad to see Year 6 leave us for secondary school and we wish them all well in their future learning and activities. We will look forward to hearing about their progress over the next few years.

I look forward to seeing you all on 7th September ready for a full, active and special year ahead.

*E. Dyer*

## Is it a bird? Is it a plane?

Frankie from Tiger class learns what it is like to handle a police dog,

ACTUALLY it was neither a bird nor a plane—our real life super hero's were a nurse and a policeman and his dog. Year 1 children learnt this week that while we think of Batman and Spiderman as super hero's there are some people who really earn their hero status. A big thank you to Mr Wells and Mrs Curle for showing us why they are everyday hero's.

Children from Panda class learn what it takes to be a nurse.
