## HIGHLIGHTS

## Hot off the press!

**BUDDING** reporters from Year 5 and 6 really got the feel of what it's like to work for a national newspaper when they visited the offices of the Guardian Newspaper in London on Wednesday.

While at the newspapers education centre, they dealt with the real life experience of producing the front page of a newspaper. Writing and editing news stories they also captioned pictures and created headlines to create a front page for Wednesdays News which they took home with them.

## Going for gold

GET fit, get healthy and score points! Each summer 250 schools take part in the Golden Boot Challenge. Each class gets a point for each pupil who walked, scooted, cycled or travelled by public transport to school. Those who have no alternative to a car will get a point if they use a car share or park 'n' stride, parking 10 minutes away and walking the rest of the way.

Classes compete against each other to win the Golden Boot Trophy which will stay with their class for the whole year. The winning classes in Key Stage 1 and 2 will also get winners badges. The challenge has already begun and will last until the end of next week. Watch this space for results.

## A healthy alternative

WE all enjoy indulging in something naughty to eat every now and again. But here at Ashford CE we like to encourage the children to eat as healthy as often as possible. Think about the nutritional value of the food you put in your child's

packed lunch. We are a nut free school so nothing containing nuts is allowed, nor are chocolates or sweets. At a time of year when shops, gardens and allotments are full of fruit and vegetables, it's easier, cheaper and healthier to add that to a packed lunch not sugar.

## Ready Steady Go ...

CHILDREN will be racing for House points at the Sports Day next Wednesday. Details of the day can be found in the leaflets that went home this week. Please come along and support your children. Juniors in the morning, infants in the afternoon.
