

Let's Rock!

WHAT is a fossil and how is it made? Our Year 3 children found out this week when they had a visit from Miss Taylor's father who is a trained Geologist.

As part of their theme—'I do like to be beside the seaside' they looked at different kinds of stones and what they are made up of.

They used magnifying glasses to get a closer look at the colour and texture the many different stones and fossils in Mr Taylor's collection.

Fossil: The remains of a creature or plant embedded in a stone.

A heartfelt thank you

WE were all devastated to see the news this week of the fire in Grenfell Tower.

We have been overwhelmed at your generosity when giving to our collection. We are sure the survivors of this terrible tragedy will be grateful of your kindness. We raised a grand total of £847.89.

Put your best foot forward!

FROM 19 June, for 2 weeks we will be putting our best feet forward as each class competes to win this year's Golden Boot Trophy.

Each child will get a point each day for their class if they walk, scoot or travel by public transport to school. If you have no choice but to travel by car you can still earn a point if you car share with another family or park 10 minutes away and walk the rest of the way.

Now the sun has made an appearance it is the ideal time to go for a stroll and enjoy it.

Dates for your diary

- Friday 23 June—Mufti Day. Wear your own clothes and bring a new gift item for the tombola
- Monday 26 June—bring a bottle week
- Monday 3 July—Sports day Juniors 9.30—11.30 and Infants 1.30—3.00

WIN £5000 for our school library by visiting: <https://www.nationalbooktokens.com/schools#.WU19esurPct>

Your Summer Fayre needs you!

DO you have half an hour to spare? If so we could really use your help at our Summer Fayre on Friday 30 June.

We are looking for people to help with some of the activities for example: Guess the weight of the cake, spin the wheel, refreshments.

There will be a special treat for the class that has the most parent volunteers. If you are unable to help on the day there are preparation jobs that we also need help with.

Thank you to those that have already sold raffle tickets. If you need any more they are available in the school office.

Freeze pop Friday's are back!

Get yours after school on Friday's. 50p each or 3 for £1.00.
