

Seaside Rocks

NOT the minty variety you may be thinking but the hard stoney variety that you sometimes find at the seaside. Year 3's current theme is 'I do like to be beside the seaside' and last week they were lucky to be visited by Miss Taylor's father who is a Geologist. He brought in his large collection of fossils and rocks. The children looked through microscopes and magnifying glasses to see the different colours and textures of different kinds of rock. They also learned how fossils are created and some of them even got to break up a piece of Cotswold Limestone to see what it was like on the inside. They were very interested to find that even some of their classroom originated from rock as the glass in the windows is made from sandstone and the metal on the door handle also comes from rock.

Reminders

- Class photos will be taken on Wednesday 22 June. Don't forget to look smart in your uniform and bring a hairbrush or comb if necessary.
- School will be closed on Thursday 23 June for EU referendum day.
- MUFTI DAY Friday 24 June—if you would like to wear non uniform please bring a gift for the tombola—new items only

Going for gold

GET fit, get healthy and score points! This year will see us again join the 250 other schools who take part in the Golden Boot Challenge.

Between 30 June and 1 July each class will get a point for each pupil who walked, scooted, cycled or travelled by public transport to school. Those who have no alternative to a car will get a point if they car share or park 10 minutes away and walk the rest of the way. The winning class will receive the Golden Boot Trophy which will stay with their class for the whole year.

A is for Apple

A BIG well done to all our Year 1 children who have had their phonics tests this week. They have been reading words and blending sounds that they have been learning all year.

All the fun of the fayre!

IT is only two weeks until our Summer Fayre and we are all excitedly looking forward to it. To ensure that it is as successful as it has been in previous years we are looking for volunteers to help. This could be help with setting up, running a stall or game or helping to clear up at the end. Please see your class representative if you have some free time when you can help.

From 20 June we will be collecting clean school uniform and fancy dress for our second hand stall.

From 24 June please bring your bottles for the bottle tombola and be entered into a prize draw.

Friday 1 July is the day to bring your home-made and shop bought cakes for the cake stall.

We look forward to seeing you there!
