

## Any Questions?

YES of course! It wouldn't have been a quiz without questions. After preliminary rounds

in the classroom

House Teams

were picked for

Infants and

Juniors. Infants

were asked 15

General

Knowledge

questions and

Juniors had 20

questions. After a

lot of encouragement and cheering on from the other children Howard

were declared the winners from the Infants and Foxall were the winning

team from the Juniors. The House that stormed to overall victory were

Howard. A huge well done to all the children.

## New office opening hours

WE have recently been reviewing our school office opening hours. We are always happy to help you and will continue to do so but in an increasingly busy office we have realised we need some quiet time to complete our tasks. Therefore in line with other local schools our school office will be open to serve you from 8.15am in the morning until 4.15pm in the afternoon. You may contact us by phone between the hours of 8.15—4.30. Outside of these hours you may leave a message on our voicemail and we will contact you as soon as possible.

## Stranger Danger

IT never hurts to remind your children of dangers of talking to or going anywhere with people they don't know. Turn to page 2 to find some useful information to help you teach your child about stranger danger.

## Come dine with us

You should have all received notification of the Special Picnic lunch we have coming up on 18 July. On these special

lunches we try to give the children a treat but to keep it healthy so we will be having Chicken/Quorn Burgers and Ice Cream but there will

still be carrot sticks and cucumber sticks to eat. Very soon we will be offering you all a chance to come and sample some of our school meals. We will be having an open day for parents (details coming soon) and the kitchen will be providing some samples for you to come and try. So please— come dine with us!

## Sports Day

CHILDREN may come to school wearing their PE kit and their House T-Shirt. It's likely to be hot so please remember sunscreen, sunhats and water bottles.

# STRANGER DANGER

A stranger is someone you don't know. Most strangers are nice, but some are nasty and want to hurt children.

- X Never ... go with a stranger
- X Never ... take things from a stranger
- X Never ... get into a car with a stranger
- X Never ... go off on your own
- ✓ Always play with other children

It's safer and more fun to be with friends — but make sure you tell your parents or carer where you are. If someone scares you, or tries to touch you in ways that make you feel uncomfortable ...

**Yell** tell them NO or STOP.

**Run** get home as quick as you can. If you can't get home, go somewhere you know will be safe, like your school or a police station.

**Tell** your parent or carer or someone you can trust right away.
