

A Nocturnal Wonderland

YEAR TWO were amazed and astonished last week to meet all manner of nocturnal animals, species of snakes, insects, a hedgehog from Madagascar and even owls.

The children learnt about the varied senses these animals use in their darkened world and how they may differ from their daytime counterparts. The children had the opportunity to handle some of these animals - if they were feeling brave enough!

This activity will help the children with this term's year two theme - Animal Matters.

Don't forget ...

A reminder that all clubs (including Maths Booster clubs) will re start next week - w/c 9 March.

All appointments have now been allocated for this week's parents consultation meetings (Wednesday/Thursday). If you still require an appointment please speak to your child's teacher or check with the school office.

SCHOOL LUNCHES

Please remember to give the school 1 weeks notice to opt in or out of school lunches by completing the relevant form (which can be obtained from the main office).

WORLD BOOK DAY

Children are invited to dress-up as their favourite book character this Thursday 5 March. Please help facilitate your children's imagination to take part in this!

RED NOSE DAY

Friday 13th March 2015

The school will be enthusiastically participating! Children will be invited to wear red and make their face 'Funny for Money'. All participating children should bring a donation of at least £1 for Comic Relief.
