Books come to life at ACE

WHO are you? was the question that could be heard all over school yesterday as we celebrated World Book Day. We were delighted with the effort that everybody went to with all the wonderful costumes. Maybe you can spot a Wally in the photos or a princess or even the BFG! In addition to celebrating reading the children also tucked into a special lunch.

Is it a bird?...

YES is the answer but not just a bird. Year 2 children enjoyed finding out about lots of creatures this week. They met an owl called Crackerjack , a milk snake and they learnt that a hedgehog is related to an elephant. Esme from Zebra class said that her favourite was the owl because there is an owl in Harry Potter! Miss Hams and Miss Taylor were very proud of the children who conquered their fears of some of the animals.

Competition

AS part of our 200th anniversary celebrations we are running a home learning project competition. Details have come home today and you can also find them on your email. For the next 2 weeks the home learning is to produce a project on the town of Ashford. There are prizes for the best project in each year group. We are looking forward to seeing all your wonderful entries.

Fruit or Veg?

DO you know how to tell a fruit from a vegetable? Year 3 children learnt exactly how when they visited Tesco to attend the Farm to Fork Project. The answer is , if it has seeds then it is fruit. We bet you've never thought about a cucumber being fruit!

How about the sugar in your cereal bowl? The children found out that most contain more that we should be eating per day. After sampling a healthy snack we think they will be asking for more carrot sticks from now on!

Spring Fayre update

- DON'T forget to bring in your decorated filled jar from Monday. There are prizes for the class who brings in the most jars.

- Home made and shop cakes should be brought in on Thursday and Friday.

- **IMPORTANT—please remember under 16's are not permitted into the fayre without an adult**.
