

Some Egg-citing News!!!

THE EXCITEMENT of new life filled our school this week as Year 5 have eagerly watched as moving eggs have gently cracked and become tiny chicks in front of their eyes. This links with their theme 'The Circle of Life' and has given the children a great opportunity to have hands-on experience of what a living thing needs to grow. Children of every year group were thrilled to be able to visit the Year 5 classrooms to see the new arrivals!

Exploring the Great Outdoors

POND DIPPING for bugs was just a small part of a very exciting day at Surrey Wildlife Centre for our Year 4 children last week. Children hunted in the woods and rolled logs to find Water Boatmen, worms, slugs and slug eggs which were quickly captured and examined under the microscope. They were given the opportunity to see life through the eyes of a fly as they looked through a prism. A blindfold and an obstacle course showed them what life as a woodlice would be like!

Welcome to ACE

WE are delighted to welcome Miss Sam Armstrong to ACE this week. Miss Armstrong has joined the Reception teaching team. We all wish her good luck in her new role.
