Our School Vision Statement

WE WILL be talking to children about our new Vision Statement in the coming weeks. So that parents understand if children come home and talk about it, this is what the school has adopted.

“We are a caring Christian community where everyone feels valued, safe and adopts an “I can” attitude. All we do is underpinned by our Christian values which means we celebrate individuality and achievements through mutual respect and high aspirations. We believe that each one of us has the ability to achieve our highest potential and dreams, through a journey of life-long learning.”

We are the champions!

OUR FOOTBALL heroes gave a stunning performance on Monday to win the Spelthorne 7-a-side tournament.

The tense semi-final match against Springfield ended in a penalty shootout victory. The final, against St Nicholas CE Primary, was also decided on penalties and our steely nerves held out for the win. Pictured above with Mr Austin are, back row from the left, Lucas, Ferrell, team captain Leo holding the coveted shield, Ross F, Ross S and Alfie. Front from the left are Ben, Oliver Jacek and Szymon

It is possible there may be a teachers strike on Wednesday 26 March. Watch this space for further news.

WHEN the YMCA came to Ashford

THANKS to *Gugafit*, our energetic Year 5s have started running twice-weekly workout sessions during lunchtime play.

They started the sessions after the inspirational day led in school by *Gugafit* in January. During the first two sessions almost 60 children took part. At one point, the entire playground was dancing along to YMCA!

Take care ...

WE are still concerned about the safety of children outside of school. When you are parking please look out for children and park sensibly and safely.

A few reminders for parents

CHILDREN with pierced ears may only wear small studs which must be removed for PE and games. All long hair must be tied back regardless

of gender and hair accessories should be plain navy, black or white. PLEASE ENSURE YOU WRITE YOUR CHILD'S NAME IN ALL ITEMS OF UNIFORM.

Update

MATHLETICS have updated their apps for tablets.

You can now download a *Mathletics* student app for your tablet from the Apple appstore, Googleplay and Samsungapps. Links to these can be found on our website.

Unfortunately there are no apps available for *Spellodrome* but *Mathletics*, who run *Spellodrome*, are working on the problem.

Purple Mash is not connected to *Mathletics* and as far as we know works on all tablets.
