

Decades of history

OUR 200th anniversary celebrations continued this week with class assemblies that took us on a trip through the decades. Year 1 took us through the Victorian times, Year 3 took us from 1900 to the 20's, Y4 saw us through the war years in the 30's and 40's, we rock and rolled through 50's and the 60's with Year 5, Year 6 wore their flares and neon

as they took us through the 70's and 80's and finally Year 2 brought us bang up to date from the 90's to the present day. It was a fun way of learning about historical events and fashions, politics and famous people and for some of the staff to remember some great tunes from years gone by!

Spring Fayre

WE are delighted to report that the Spring Fayre last Friday was a huge success! Look out for your next PTA newsletter that will have details of how much money we managed to raise.

A BIG thank you to you all for all the wonderful donations and another big thank you to everybody who gave up their time to make this fayre such a great event.

The challenge is on!

HOPS, star jumps, dance moves were just a few of the suggestions for this event. The whole school was set a challenge to complete 200 of something for 200 years. They all managed to do it in a different way with most of them completing more than one challenge. Below you can see year 2 children passing their bodies through the hoop 200 times.

And so it grows

WE are so proud of our growing mosaic that you read about in last weeks ACE's Highlights that we

thought you would like to see the progress we have made. Children from every year group are having the chance to be part of this special anniversary piece of art. The finished piece will be available to view soon.

Getting equipped

THIS week we were delighted to take delivery of 4 new interactive whiteboards 2 of which came from PTA funds. It is always exciting to keep up with new technology and we hope to have funding for more in the future.

NEXT Friday 24th we will be raising money for Comic Relief by wearing our pyjamas all day! Pay minimum £1 to wear yours to school. Don't forget to wear sensible shoes.
