

What's for lunch?

COULD it be Pasta? Or perhaps roast dinner or even a Posh Dog in a roll. These are just a few of the lunches you can choose from in the new school lunch menu. The menu will be served after we come back from the Easter break and a copy of the whole menu will be coming home on Friday so by the time you read this you may have already seen it! If not, please visit our website where you can view all the choices. Our school lunches are cooked and served by the ladies pictured from the right Sarah, Hannah, Louise and Vanessa. Look out after Easter for another special lunch in May.
