

Easter Blessings

Easter...
The celebration of Christian love...
The day of resurrection...
The day that brings us new hope...

This Easter, I'm wishing that you and your family have a prosperous and peaceful life.

May you be blessed with a home filled with harmony, hope and love.

Have a great and joyful Easter!

With kindest regards

Be Share Aware

SAFETY starts with you! Please spend some time with your children reviewing the NSPCC guide to online safety which has gone home today. **The Keeping Your Child** safe page has been updated on the school website. To take a look please use the link ashford-primary.surrey.sch.uk/parents/safety.php

Our pupils are incredible!

THEY'RE the generation that will see cancer cures in their lifetime. They'll be the lifesavers of the future. And for one week, they were an unstoppable force against cancer at running, hopping, skipping and jogging our Race for Life. Every child and staff member can really wear their medal with pride.

Thank you for the sponsorship money that we have already received. Please send monies into school by Monday 18th April if you have not yet done so.

We would like to give an EXTRA big thank you to Sainsbury's Local in Ashford who kindly provided the children with some much needed squash and fresh oranges at the finish line.

Time to say goodbye

THIS week we sadly say good bye and good luck to two of our teaching staff - Mrs King from Year 6 who is taking a career break from teaching to spend more time with her family, and Mrs Place from Year 2 who is moving to a new teaching post at a school closer to her home.

Eat well - Move more!

AS part of our healthy living week we have all enjoyed a range of activities to help us understand how to keep safe and grow up healthy and happy. Each class has participated in :

- A PSHE based session in the Life Education bus
- The sponsored Race for Life for Cancer Research
- Explored healthy cooking.
- Been set a class a challenge- how can they make a small change- eating more fruit and veg, reducing screen time and being more active, making sugar swaps etc.

Helping your School

WE are always very grateful for the generous support our parents provide to our school. We recently sent out a plea for stationery supplies as our stocks were exceedingly low after the budget closed. We were delighted to receive donations from a number of parents to whom we are exceedingly grateful. If you ever have a surplus of stationery then please remember we will always be delighted to accept your donations.
