

Amazing Animals

YEAR 2 children were both scared and excited when the exotic animals came to school to visit them this week.

As part of their theme 'Animal Matters' they were able to see and touch a number of different animals. There were Ooo's and twit twoo's as an owl flew over their heads. A huge cockroach with a hard shell and some snakes which were found to be smooth and not slimy! An African Bullfrog and a tarantula were just a few of the animals that they got to see. Ryan from Zebra Class said that the Cockroach was a Hissing Cockroach and was scary, while Archie from the same class said it was a fantastic, wonderful day and he loved it. Meanwhile Zarah from Giraffe class said

her favourite was the Hedgehog and George said that it wasn't spikey at all!

Red nosed but not red faced

WE are delighted to announce the we raised £398 for Comic Relief. Thank you to everyone who donated and to those who enjoyed soaking Mr Austin!

PTA Children's event

THE children's event planned for Thursday 4 April has been postponed. Please watch this space for news of further after school events for children. If you sometimes have a few spare hours and would like to get involved why not attend the next PTA meeting on 1 May at 6pm. Everybody is welcome. We need your support!

Ahh—tissue

DESPITE it feeling like spring is really here we still have a lot of coughs and colds about. Please help us contain the germs. It would really help us if, when you are doing your weekly shop, you add a box of cheap tissues and donate them to the school. As always, we are very grateful for your help and support.

Cheerio and hello

TODAY we said cheerio and good luck to Miss Richardson from Kangaroo class as she leaves to rest before having her baby. We can't wait to meet him or her.

Yesterday we met Mrs Flood who will be joining us after the Easter break to cover Miss Richardson while she is on maternity leave. So a big welcome to the ACE family to Mrs Flood.

Weekly Reflection

See! The winter is past; the rains are over and gone.

Flowers appear on the earth; the season of singing has come,
the cooing of doves is heard in our land.

The fig tree forms its early fruit; the blossoming vines spread their fragrance.

Arise, come, my darling; my beautiful one, come with me.

Song of Songs 2:11-13
