

Walk Like an Egyptian

OUR Roman goddess's and Mummies looked amazing today as Year 4 children arrived at school to study Ancient Egyptian life and culture dressed in their fabulous costumes. They set to work on making their Tutankhamun headdresses some of which can be seen in the pictures above. Thank you to all the parents who spend so much time making all the wonderful outfits.

Here comes summer!

THE sun has certainly had his hat on this week and we thought it would be a good time to remind you all to wear yours!

We all love to see the sun and to be able to go outside and enjoy the nice weather but we mustn't forget that the sun's rays can also be harmful and make us feel sick. Wearing a hat helps keep the sun off your head and stops you from getting too hot.

Mum's, Dad's and Carers please don't forget to apply your child's sunscreen before school as we are unable to do this in school.

As the sun gets hotter then so do our bodies. Remember that during hot weather we need to drink more water to keep us feeling well so make sure those water bottles are topped up.

Lastly, with pollen count rising some of you will need your inhalers. Please ensure that yours is working and in date.

Food fit for a Royal

ON THURSDAY 19 May 2016 we are providing a special lunch to celebrate our Queen's 90th Birthday. All **infant** children will automatically be provided with a special meal of bangers and mash, as well as all junior children that are currently on school lunches.

If your child would like to be provided with this special meal please return the reply slip and payment of £2.15 by Tuesday 10 May. We will not be able to accept any late requests as food will be ordered in advance by our kitchen.

The importance of punctuality

DID you know that if your child was 5 minutes late for school everyday they would lose 3 days of education a year? Children arriving late for school miss the first instructions of the day and cause disruption to the class.

We realise that occasional lateness sometimes cannot be helped but it is important to be on time.

School gates open at 8.30 and the school day starts at 8.45am. Please try your very best to arrive in good time for start of class.
