HIGHLIGHTS

Helping us to help others

FOR a growing number of people across the world, war and poverty are a part of daily life. This year, Christian Aid Week explores the work that Christian Aid's partners are doing to tackle violence and build peace across the world.

Last year more than 20,000 churches and schools across the country helped raise £12m! Next week we will be sending home red donation envelopes so that you can help us help others so that more people can look forward to a life without poverty.

We can help to make a real difference. Please donate any spare pennies you have so that we may help this worthy cause.

It's going swimmingly!

A BRILLIANT start was made to our new Year 3 swimming programme last week. We are very lucky to be allowed to swim at Bishop Wand School. It's a great environment for the children and we have it completely to ourselves while we are there.

Last week the children were individually assessed. They are arranged by ability and swim in groups of six or seven. In some cases the swimming Instructor is in the pool with them.

Winning numbers

A BIG well done to everybody that took part in the Sponsored *Mathletics* Home Learning Challenge. The school achieved a total of 589,177 points. We are delighted to announce that you also helped to raise a fantastic £2031.13 towards the PTA ICT fundraising project! The PTA committee would like to pass on their thanks and congratulations to all those who took part.

As everyone did so well all classes have earned a DVD afternoon. The classes that scored the highest points and win an ice-cream party are:

Infants: Panda Class

Juniors: Leopard Class

This will take place on Friday 16 May.

Taking the test

ALL Year 6 pupils will be doing their SATs from Monday 12 May to Friday 16 May. Please have a restful weekend and a good hearty breakfast! Good luck to you all and do your best!
