

## The future's bright ...

... and today it was orange! It was great to see so many of our children sporting an item of orange clothing to mark our allergy awareness day. What does it mean to have a food allergy? We were lucky enough to have Mrs Moreton, a parent and registered nurse in school today to answer this question and many others. Food allergies can be very serious. Would you know how to spot the signs of somebody who was having an allergic reaction? We found out what foods are most likely to cause allergies, what would happen to somebody having an allergic reaction and what action we would take. A special mention goes to Caleb in Year 6 who wore an orange wig and collected £270 in donations. Caleb's sister is in year 2 and has multiple allergies.

## A testing time

IF you are a Year 6 parent you will already know that it's that time of year! Of course we are talking about Year 6 SAT's. Year 6 children will be sitting their SAT's starting on Monday next week. Year 6 are all invited to arrive at school through the hall doors from 8.15am where they will be served breakfast by the staff. It will give them a calm and relaxing start to the day enjoying breakfast with their friends and teachers.

## Keeping you safe

WE are happy to let you know that the climbing frame is now back in operation and the children take their turn on it during break times. At the beginning of school and the end of the day the climbing frame is OUT OF BOUNDS. Please can we kindly ask that you do not let your children climb on it at these times as there is no school supervision.

Thank you for your co-operation.

## It's a 'fayre' swap!

AS we get further into the Summer term we start to think about the PTA Summer Fayre. We will be having a mufti day on Friday 25 May. If you would like to wear non uniform on this day please bring an item for the gift tombola, new items only please.

In addition, if you are local business and would like to advertise in the Fayre programme please contact the school office or the PTA for more details.

## After school clubs

AFTER school clubs are suspended for 1 week due to SATS testing. Clubs will resume week commencing 21 May. This does not include OSCA's.
