

## Practice makes Perfect

ARCHERY CLUB is in full flight. The children are mastering the art of target shooting which requires patience and focus. Mr Austin can already see how the children are developing a sense of personal achievement as the sessions are progressing.

## REMEMBER

PLEASE GIVE generously this week for Christian Aid. We expect contributions will go to the Disaster Emergency Committee (DEC) to help the people of Nepal following the recent earthquake. Contribution envelopes will be sent home tomorrow.

GOOD LUCK to all our children this week during their SAT exams. We expect all the hard work will be rewarded in your results!

DON'T FORGET Please contact the School Office by 09:00 if your child will be absent from school. This will ensure the school registers are accurate.

Just a reminder that children are not to bring in sweets or chocolate to be give out on their birthdays. If you wish to do something extra, teachers are always happy to accept a new book for the class reading area.

## Everything's going swimmingly!

OUR YEAR 3 swimming programme is well underway this term. We are very lucky to be able to use the Bishop Wand swimming pool which provides our children with a great environment to improve their swimming skills.
