

Birds of a Feather

EXCITED Year 1 children discovered the difference between mammals, reptiles and birds this week when they visited Birdworld. Discovering what they eat and how they live, they saw many different birds including flamingos, parrots and penguins. Our school has adopted a penguin and the children were delighted when we got to the penguin pool to see our schools name displayed. At the animal show they played spot the difference deciding which animal was a bird or a mammal or a reptile.

Happy Birthday Ma'am

TO MARK our Queens very special milestone 90th birthday we are having a special Royal Theme next week.

During this week the children will be using craft and cooking to help them learn all about the Royal Family, Royal traditions, British Values and the Queens service.

This week is also Christian Aid week. We ask for a £1 donation to join in with our special red, white and blue mufti day when the children are invited to wear clothing in these colours. Red white and blue day takes place on Friday 20 May.

We ask that the children's £1 donation to be given in change, as we will be using the coins in a large royal piece of art work. The more pennies we have, the bigger the art. All money raised will go to the Christian Aid fund.

Other events happening to celebrate this special royal week:

Special Royal Lunch Thursday 19 May

Red, white and blue disco Friday 20 May

Infants: 4.30pm – 5.30pm Juniors: 6.00pm – 7.30pm

We thank you for your support and are really looking forward to a right royal week of learning, creativity and fun.

Really Royal Exhibition

WE will be showcasing the children's learning and creative achievements at a special exhibition on Monday 23 May from 2.30pm in the school hall. All parents, grandparents and carers are welcome to come along and see this fantastic display of your children's hard work. Doors will close at 3.45 pm.

Reminder

- **Y6 Residential Meeting Monday 16 May at 3.30pm**
- **After school clubs resume from Monday.**
