

A special birthday lunch

200 YEARS ago in 1817 when Mr Foxall and 6 other investors started our school the money they gave not only paid for the school but also a trust fund. That fund gave a yearly dividend to pay for all school resources and a meal each May for the Master and pupils.

Over time, of course this fund disappeared. As we are celebrating our 200th anniversary we decided to reinstate this tradition with a special anniversary lunch. The children all tucked into a roast dinner which was finished off with a special birthday cake displaying our school badge. During the lunch we listened to some party tunes and had a bit of a singalong amongst the bunting and flags! Look out for our pizza picnic coming after half term.

Pharaoh's Treasure

AMAZING costumes we worn by the children in Year 4 this week as they dressed up as part of their current theme 'Walk like an Egyptian'. They made an Egyptian game called Senet and played it. They also built their own pyramids and made a cat sarcophagus.

Leaving soon!

LEAVER's hoodies for year 6 children were delivered this week. Pictured are some boys from Panther class wearing theirs.

It's much easier online

LIKE the Queen a lot of us no longer carry cash and to go to the cashpoint can sometimes be a real inconvenience. Did you know you can make your life easier by paying all your school payments online? If you have a trip to pay or school dinners and you would like to use this facility please pop into the School Office to get your online code.

Can I see the teacher please?

YES is the answer. If you have any concerns or questions about your child's education our teachers are always happy to talk to you. If you need to meet with your child's teacher, please make an appointment with the school office. Teaching responsibilities make it difficult to see parents for more than a few minutes without a prior arrangement.
