

## Hall things bright and beautiful!

OUR beautiful hall refurbishment is now finished and ready for use and we couldn't have done it without you! Thank you to everybody who donates to our Building and Maintenance fund as this is the money that has funded this project. Where the stage used to be we now have a new area for learning and a wall that can be pushed back to create more space in the hall. If you have not donated to the Building and Maintenance fund this year you still have time. Pay online or by cash or cheque. You can also make payment by standing order at only £5 per month — get your form from the School Office. Help us continue to make improvements to our school!

**Pictured: Year 6 children making use of the new space**

## School times

- After half term school reopens on Monday 5 June
- School will be closed on Thursday 8 June due to the General Election

## Say cheese!

THE school photographer will be in school on Wednesday 7 June to take class photos. Don't forget - nice smart uniforms please and bring a hairbrush or comb if necessary.

## Stay safe online

DO you talk to your child about staying safe online? Maybe you don't feel you know all the correct terminology? Children certainly seem to know more than us these days! If you would like some help the NSPCC has launched a new video called be share aware. You can get help by going to <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/share-aware/>

## Can you help?

DO you have a gazebo at home that you no longer use? We need a couple for our school so that we may have some shade during hot playtimes. If you have a pop up gazebo or one that is easy to put up please send it our way as we can put it to good use!

We are also looking for 'small world' toys eg. Playmobil, Happyland, Brio or farm, castle, boat, garage, dolls house and any figure that may go with them. Your continued support is very much appreciated.

## Don't forget your last Sainsbury's vouchers please
