

A little bird told me!

SOME birds can actually talk but they weren't saying much when year 1 children visited Birdworld this week. Just a lot of cheeping and

squawking! As part of their Eco Warrior theme the children learned how to look after birds, what they eat and how they live.

It is not only birds that live at Birdworld and the children were treated to an animal show by the staff where they spotted the difference between lots of animals including a big snake!

Adiós and not goodbye

IT was a mixture of sadness and happiness in school last Friday as we said goodbye to Father Chris from St. Hilda's as he has now retired. It was smiles all round as Mrs Dyer presented him with a book that had been made by the children spelling out his name with all the nice things we think about him. We hope he will have a long and happy retirement and that he comes back to see us soon.

Ready for SATs

GOOD luck to all our Year 6 children who take their SATs next week. You've all worked really hard and we know you will smash it! Don't forget to turn up at 8.15 for breakfast!

Let there be light

LIGHT and dark, shadows and rainbows and why not to be afraid of the dark. These are a few of the things that year 3 children learnt when they crawled inside the Explorer Dome in school this week. The photo may be a little dark but we hope you get a glimpse of what it was like inside the dome.. The children loved this experience and it taught them what light is, where it comes from, how it travels and how we see. It was a fabulous display of effects and experiments.

Reminders

- Don't forget to return your form for the 200th birthday lunch on 18 May. Deadline for forms is Monday 8 May
- Tickets for the birthday bash disco will be on sale next week before and after school of 8/9/10/11 May and before school on 12 May.
