

Believe, achieve and succeed

THAT'S how children and staff at Ashford CE make a difference. And it's a difference in many ways.

Pictured below are Johnny S, and Betsie W, both in Leopards, who are the first children this academic year each to be presented with a Headteacher's Award.

"It is always a great pleasure to recognise extra effort and dedication from children," said Mrs Dyer. "I am thrilled to have been able to present these awards to two such worthy winners. And I hope I will be presented many more as the year progresses." The award is given for outstanding effort in any area of school work.

ANOTHER great example of believing, achieving and succeeding is our new school kitchen.

At times we all wondered if dinners would get back to 'normal'. The answer is: No, they won't be like they used to be: they will and are better than ever.

This week our caterer, Mrs Thornborow challenged herself by throwing the offer of a school dinner out to any child in school just to see if they like them.

It was a busy morning but the result was a first class roast dinner or home made vegetarian sausage rolls. The verdict from children and staff is: An award of excellence. Watch this space for more news about dinners.

DON'T FORGET

IT IS Parent/Teacher Consultations next week, Wednesday and Thursday. Children finish school on both days at 2:30pm. Please collect them promptly. There is provision for children to go to the Hall between 2:30 and normal going home time. Please complete the slip and hand it to your class teacher if you need this service.

THERE are no after school clubs next week because of our Parent/Teacher consultations.

We remember them, we remember them

ANOTHER humbling example of believing, achieving and succeeding is the amazing courage and selflessness of our soldiers who fought in all wars.

At ACE we are reminded of their bravery and the number of lives lost by each wearing a poppy. These are on sale at the beginning and end of every day. Please give generously.

We also mark that special day, Remembrance Day on the 11 November each year, with two minutes' silence in school.

This year will be no different. We will mark the day and any children who are members of scouting, guiding or any brigade may wear their uniforms to school that day.

As well as remembering the lost soldiers, the school is also taking part in a national remembrance assembly with schools throughout the country. There will be a live internet broadcast from the Tower of London on Monday 10 November. Year 2 to Year 6 will take part in that broadcast.

This is due to finish at 3:05pm so children may be late coming out of school on Monday.
