

A Pizza the action!

YEAR 6 children were getting a piece of the action this week when they visited Pizza Express. As part of their current theme 'It's not just Pizza', they all got given some dough which they kneaded and stretched to make the base, then they learned how to make the crust before covering it in a tomato base and delicious mozzarella. They arrived back at school with boxes of their hand made pizzas. Then later came the best bit ... eating them all up!

Online payments and dinner ordering

PLEASE remember to order your school dinners at least 1 week in advance. You may now order to the end of March.

As we are now a paper-free office, please ensure when your child is going on a school trip that when you make your payment you also tick the consent box. Children are not permitted to go on trips without parental consent.

Dropping off and picking up

WE would like to politely ask parents that drive to school to be mindful when parking around the school. Firstly and most importantly please consider there are lots of small children around and it is up to all of us to ensure they are safe, secondly please consider our neighbours and park with consideration. Lastly, please observe the rules of the road and do not park on the zig zag lines directly outside of the school. We thank you for your co-operation.

Can you help?

AS the weather starts to turn colder and winter gets closer we would like you to spare a thought for the homeless and people that sleep on the streets. To provide help, we are asking any of you that may have old sleeping bags that you may not use anymore or that need replacing to donate them to help those less fortunate.

You may take your donation to Staines Baptist Church or bring them to the school Office who will pass them to the church.
