

It's not cool to be cruel

THERE were a lot of funny feet in school on Tuesday when we marked Anti-bullying Week by wearing odd socks. The idea is that we are able to express ourselves and celebrate what makes each of us unique.

We are pleased to announce our Anti-bullying poster competition. All year groups are welcome to enter and should design an A4 size poster. The winning posters will be display around school and there will be a prize for the best one.

It's Flu season!

ALL children from Reception to Year 6 were entitled to have the flu nasal vaccination this year and many children got theirs in school when the nurse visited. If your child was not in that day or missed it for any other reason you can still get your child vaccinated. There will be 2 drop in sessions held at Ashford Clinic (opposite Thomas Knyvett College) on Monday 16 December and Wednesday 18 December.

Christmas is coming

THE planning and organising for the Christmas Fayre is well under way. Please remember if your child would like to meet Santa in his grotto to return your form by 22 November. Don't forget to start decorating your filled jars. There will be prizes for the best jars so

get the sparkle, the baubles and the bells and get decorating! Please fill your jar with wrapped sweets (no nuts please), loom bands, beads or toys. We have lots of exciting stalls planned but we do need your help to make them run. Please open your email to find out where we need help. Let's raise as much money as we can for our school.

Home time rules

WE would like to remind parents and carers that children may only go home other family members or parents where there is a signed blue form. Siblings are only permitted to collect if they are aged 16 or over.

Going back in time

Year 3 children stepped back in time when they visited the Milestones Museum last week. On the right you can see some of the girls learning what it was like to be in a Victorian classroom.

Love in a box

Please help us give an underprivileged child a happy Christmas and fill a shoe box with lots of goodies. Please return your box to school by next Friday 22 November.

Weekly Reflection

" I believe in the power of the imagination to make the world, to release the truth within us."

J.G Ballard born November 15 1930
