

And on that farm they had a ...

...snake, a tarantula and some lizards! Reception and Year 6 children got to see and hold all of these creatures along with a few others when the Hounslow Urban Farm visited school this week. In addition to

handling the animals the children learnt how to care for lots of different types of animals, what they eat and how we can protect them .

Send them Victorious

YEAR 3 children went back 100 years this week. As part of their theme 'Victorious Victorians' the Year 3 classrooms were turned into classrooms from the Victorian Era. They did their learning with the aid of chalk and slate. Mr Burton and Mrs O'Donnell remained in character throughout the day providing an authentic Victorian school

experience. Girls and boys worked separately on individual desks practising their arithmetic and learning the Lords Prayer by heart.

Once a week, take a peak

DON'T forget to check your child's hair for headlice on a regular basis. Sadly headlice are a normal part of childhood and it is thought 1 in 10 children have headlice at any one time. Remember to take a peak, once a week!

REMEMBER
ONCE A WEEK,
TAKE A PEEK

Reminders

REMEMBER to hand your filled shoebox gift into the school office by Monday 20 November. Make a less fortunate child smile this Christmas.

INFANT parents— please remember to hand you request for nativity tickets by 22 November in if you have not already done so. Tickets will be issued on a first come first served basis and all dates are almost full.

SAVE the date—The Junior Christmas Carol Service will take place on Wednesday 13 December. Look out for a letter with more details coming home soon
