

Toys are us

WHIRLING AND twirling, spinning and curling! How have toys changed over time? What were they made of and how did they work? Our Year One children were visited by Chertsey Museum last week and were able to find the answers! As a part of the Year One theme 'Toy Story', the children had the opportunity to observe, handle and sort these historical artefacts. The highlight of the day for the children was making a thaumotrope - a spinning disc that was popular in the 1900's.

REMINDERS

After School Clubs

AFTER school clubs have now finished for this term. A new booklet for the Spring Term is currently being compiled. Further details to follow.

Parent Coffee Morning

ALL parents and carers are invited to join us on **Monday 7 December at 10.30 am** when we will be discussing caring for your children focusing especially on the needs of children with challenging behaviour. Everyone is welcome.

PTA Christmas Events

Thursday 3rd December – Kelly Kadabra Christmas Magic Show for JUNIORS

Tuesday 15th December – Jelly Kelly Christmas Show for INFANTS

Did you know ... £££

You can pay for all your children's clubs, dinner money and school trips online. (Follow the Tucasi link at the bottom of the school website). All you need to do is ask the office for your unique login code and you will then be able to pay at a time that suits you. No more rushing around for money to send your children into school with!
