

Bringing history to life

A SNAPSHOT of life in Victorian times. Year 3 Lemurs and Meerkats with, back row from the left, Miss Curl (Lemurs) Miss Quigley (Meerkats) and Mrs Duguid. Both classes spent the day learning about lessons in Victorian times, and their classrooms were arranged in rows of tables, all facing forwards. Wearing full length skirts and dresses made it more difficult for the girls to move about. But there was time for a photograph outside school.

TIMES TABLES

THE TWO maths workshops held in school this week were very popular with parents.

To give parents and carers helpful reference material, we will be placing a booklet on the website. The calculation policy is also available to download from the website.

THERE have been some staff changes in the school office. We have said good-bye to Mrs Katie Beever who has worked with us since September last year. We are sad to see her go and hope she will pop in and visit the school occasionally. Succeeding her is Mrs Zoe Portat. She will join us from 8 December.

Where do you find reindeer in Ashford?

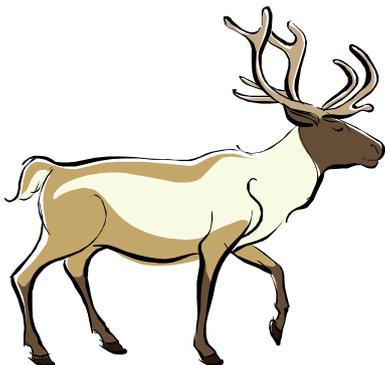

IF WE'RE very lucky, they'll be visiting school on Monday 8 December.

Thanks to our wonderful PTA's efforts, we hope to give children a hands-on experience of Santa's sleigh engines. Please remember to

send in your £1 donation towards the cost of their transport to and from school. If we don't cover the cost, they won't be able to come.

And if you hadn't noticed how near Christmas is, can we remind you about Ashford Rotary Club's Christmas Carols,

see the poster, below far left, and St Matthew's church's Breakfast with Father Christmas, see the poster below.
