

## O Christmas Tree

It's that time of year again, where we join in with the St Matthew's Christmas tree festival competition. Our entry this year is all about Christmas dinner and all the trimmings.

Children from all over the school have been busy making everything from Christmas puddings, to crackers, to the beloved sprout! Come down to St Matthews church this weekend

check out our awesome decorations and the tree in all it's glory. And remember... don't forget to vote for us!

## That's magic!

123 Magic to be precise. Some of you may already know what 123 Magic is but for those who don't, 1-2-3 Magic is a discipline program that focuses on implementing time-outs for inappropriate behaviours. It helps adults gain control of their own emotions and eliminates a lot of talking. It helps the child recognize that certain behaviours result in specific and consistent consequences. If you would like to participate in the 123 Magic programme, Miss Harries will be holding some sessions in school. Please contact the school office for more details.

## A game of Tag

THIS week children from Years 4, 5 and 6 took part in our very first competitive game of Tag Rugby at Buckland Primary school. A much gentler game than Rugby Union, it is fully inclusive of all ages and abilities. Like Rugby Union they compete to score tries and can stop the other team scoring by removing the tag of their opponent. Despite not winning overall, for our first game our children performed incredibly well and scored more tries than the opposing team during the second half. A huge well done to all the children who took part.
