

## Y6 Engineering Workshop

**YEAR 6** took part in The Stixx Project this week; an engineering workshop run by British Airways. The children were expected to work as a team to build and construct sturdy buildings to a very specific design brief. The workshop covered many areas of the curriculum, including maths, design technology, science and history. Great fun was had by all!

## Singing Together

Our Autumn term school clubs are in full swing. The children are throwing themselves into the new challenges with great enthusiasm! Pictured above is the Wednesday lunchtime Music and Singing club.

## REMINDERS

**WE ARE** still concerned about the safety of children in the playground before and after school. Please support us in ensuring that the climbing frame is out of bounds at these times. When you are outside of school parking, please look out for children and show consideration to our neighbours by parking sensibly and safely.

SCHOOL PHOTOGRAPHS will take place on Wednesday 7 October. Please send your children into school in full school uniform looking as smart as possible. Hairbrushes should be sent in if applicable. Pictures of siblings in the school will also be taken.

**OUR FIRST** parent coffee morning this school year takes place on Monday 5 October at 10.30am. This workshop on Behaviour includes an overview of the MAGIC 1-2-3 evidence based effective parenting programme. Please come along to find out more.

**OUR INTER HOUSE** football Championships will be taking place on Thursday 8 and Friday 9 October. The children in Years 1, 2 and 3 will be participating in competitive football challenges, trying to score points for their house groups. Years 4, 5 and 6 will be competing in boys' teams and girls' teams in fun matches between houses. Good Luck to everyone!

**DON'T FORGET** our school website will keep you up to date with the latest events. Our notice boards in the playground and in the area in front of the entrance gates have a What's On update for two weeks ahead.

Spelthorne Spartans Junior Badminton Club runs on Monday nights at The Matthew Arnold School from 6-8pm. Please follow this link to their flyer:
