

Giving thanks for all God's gifts

HARVEST time is the time when we thank God for all the good things he gives us and when we learn to share all that we have with others not so fortunate. That was certainly what the children were doing this week. The Juniors gave thanks at St Matthews church and their singing was amazing. The Infants had their own special Harvest celebration with Mrs Dyer in school and Year 2's rendition of 'Cauliflowers fluffy' was sang beautifully. The Harvest week was finished off with a delicious roast lunch and a hall that was decorated with an autumn touch.

Thank you for your harvest donations. If anyone would still like to donate groceries please bring into school by Monday drop off.

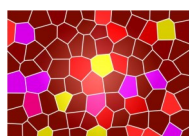

Calling all facebookers

EXCITING news—We now have a facebook page. Please visit our page and 'like' us. You can now read 'ACE's highlights on our page every week!

Help us be creative

Miss Beacham is currently planning an exciting art project to start in the new year as part of our 200th anniversary celebrations. To kick start the project we are asking for donation of any ceramic/glass mosaic tiles. These could be samples from DIY shops or left over mosaics from a home project.

We will welcome all donations. Please bring them in through the school office. Thank you in advance for your support.

Goals equal housepoints

NEXT week is our interhouse football competition. Children in Year 1-6 will be participating so make sure you have your PE kit on Thursday and Friday and if possible please wear your house colour t-shirt.

Keep dancing!

PUT on your dancing shoes—the school disco is back on Friday 14 October. Don't forget to get your tickets which will be on sale next Tuesday and Thursday. We are raising money to buy a defibrillator for the school.

Reminders:

- PTA AGM is postponed until 9 November
- Head lice—If you have problems with getting rid of these, we have nit combs available for purchase through the PTA.
