

The beautiful game

OUR 5th annual Interhouse Football competition took place this week. Children from Years 1—6 took part, with the older children competing in matches and the younger children taking part in skills challenges. We were so proud of all the children and are delighted to announce that this year's Champions were Howard. The Golden Boot was awarded to Ryan from Panthers and the Fair Play Awards went to Adam and Callum both from Leopards. Congratulations and well done to all the children who took part.

Reminders

PARENTS evening is coming up after half time. Remember to send your appointment request back asap to get a suitable time for you to meet with your child's class teacher

A Viking Invasion

OUR school was invaded this week—not by the Vikings but by Year 5 children who were all dressed as Vikings and Anglo Saxons for their Invasion Day. There was a workshop in the hall where they all got involved in role play, acting out some scenes from this period of time. They got to see clothes that the people wore and the weapons they used. They also made flatbread—a recipe used way back then. Elizabeth from Buffalo class said 'it tasted very buttery'

THE PTA movie night is on 18 October. Join us for popcorn and a Movie from 5—7pm. Tickets available from the PTA.

Safeguarding our children

FORTNITE—a word we hear a lot these days. For those of you that don't know it is a computer game for ages 12 and over. You may have thought the word means 2 weeks—it does! Very confusing It poses the question, do you know what your child is looking at online. It's worth checking!

Amazing Ashford

WHAT does Ashford High Street have to offer? Year 1 children found out this week as part of their theme 'Amazing Ashford'. They saw lots of different things and thought of some that could make it even better.

Weekly reflection

The world can be better if there is love, tolerance and humility.
