

Hard Rock and Heavy Metal

NOT the musical kind but the current theme for Year 3 children. As part of their theme they are learning about settlements that were built by the river and how crops were grown.

This week saw them experimenting with how water is transported round a plant. Using ink they found that water transported up the stem to the leaves and as you can see from the picture they ended up with a coloured effect on the petals.

Forthcoming diary dates

- ◆ Friday 3 November Flu Vaccinations Years Reception—Year 4

Ticket to ride

WHILE Year 3 children have been looking at plants, over in Year 2 as part of their theme they have been looking at the History of Transport. This week they have all made their own wind powered vehicles and even managed to race them. Sienna and Ian from Zebra and Gabriella and Una from Giraffe were declared the winners.

Thank the Vicar

NEXT week is National Thank the Vicar Week. To thank our vicar we have invited Father Stuart from St Matthews to tea with the School Council. Don't forget to thank your Vicar this week.

How to stay safe online

HOW did we ever live without Facebook, Instagram, Snapchat or many of the other social media sites we use? Some we may not have even heard of. However this also allows the opportunity for the very serious issue of Cyberbullying. Dealing with it can be hard. The Department for Education has released some very useful advice for dealing with Cyberbullying. Visit <http://www.ashford-primary.surrey.sch.uk/parents/safety.php#esafety> to access this advice.
