RAGU! Brings the Italian out in you!

USING their DT skills Year 6 have been busy learning about seasonal produce, traditional recipes and the key skills around preparing a traditional family recipe. The children peeled, chopped, diced and sliced a range of seasonal produce, even using tomatoes harvested from the previous day. They sautéed onions and garlic, mashed tomatoes into their own

paste, and ended up making their very own delicious vegetable Ragu sauce, perfectly teamed with pasta. The sauce has been such a

hit that some of our pupils are making some at home!

Celebrating Women and Black History

THERE has been some amazing work around school during Black History month. However, we love it when children take their learning from school home. We would like to give a special mention to Neve from Year 3 for bringing in her amazing book on inspirational women throughout history and her extra research on Mary Seacole and linking it to her previous learning in Year 2.

Mufti Day

FRIDAY 25 October is Mufti Day. If you would like to wear non uniform please bring a gift (new items only) for the gift tombola. Parents—if you can help PTA sort out the gifts please speak to the school office.

Weekly Reflection

“This above all: to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man”
