

Down on the farm

SO much more than just animals. That's Butser Farm! Year 3 visited this ancient working farm this week as part of their current theme 'Hard Rock and Heavy Metal' They learned how people lived during the Iron Age and made some pots using clay from the ground just as people did back then. Then, using a basic spindle, they learned how to spin wool to make into yarn to make bracelets which they wore home.

We will remember them

WE will be selling poppies again this year for remembrance day. There will also be a few other poppy related items for sale. Don't forget to buy yours from us and see if we can raise more money than last year!

Love in a box....

AS it is half term this week why not spare a thought for underprivileged children who will have no presents to open this Christmas. You should

have already received the slip and information from school two weeks ago. Fill your shoe box with goodies, wrap in Christmas paper and bring into school. Go on—put a smile on a child's face this year!

...Love in a tin or packet!

A BIG thank you to everyone who donated food for our Harvest Festival. The Manna Food Bank were very grateful for the 210kg of food they collected from us. Well done everybody.

The air that we breathe

KEEPING children safe is very important to us and that extends to their health. Therefore we would like to politely ask if you park directly in front of the school to please turn off your car engine when picking up or dropping off. Thank you.

A message from the Head of School

We have reached the half term break and I could not be happier about the efforts put in so far this year by every member of the Ashford CE family. It has really touched my heart to see so many people; adults and children alike going the extra mile. The nights are drawing in now and it is time for a week of rest, but I hope we shall come back to school refreshed and ready for the next challenge. Thank you

Mr Austin

Thank your Vicar

Our School Council having tea with Father Stuart for Thank your Vicar week.

Weekly Reflection

'Anything that leads to creativity and good work is good'
