

Work that makes us go WOW!

OUR children certainly made us go WOW with all their hard work this half term. Miss Beacham has been on the hunt for beautiful work and neat handwriting since the beginning of term. All the teachers are so proud of all the children's achievements and we have awarded our first official WOW work and handwriting awards. The children had a special award ceremony this afternoon. Not only did they get their work presented on a special display they were given a beautiful certificate and they have also received five house points each. The children and teachers are all so proud and we cannot wait to see who gets WOW work and handwriting awards next half term. Watch this space!

Football Crazy

A BIG congratulation to Lockington House who triumphed in the interhouse football competition last week. Well done to all the children who took part

Goodbye and Good luck

IT is with great sadness that we say goodbye to two members of staff today. Mrs Hyatt who has been with us for over 12 years is starting a new life in the Isle of Wight and Mrs Bracken who has been with us over 7 years will be welcoming her first grandchild. We would like to thank them for all their hard work and wish them good health and happiness for the future.

Christmas cheer

AT this time of year we start to think about Christmas and the shops start to fill up with Christmas toys and treats. Please help us to help children who are not so fortunate and fill your shoe box with gifts. . Please see the leaflet we sent a few weeks ago for suggested items and how to wrap your shoebox. Please bring your gift to school by 21 November.

Lest we forget

AS usual we will be selling poppies in school this year. Please wait and buy yours from us and help us beat the amount raised last year.
