

They came, they saw, they conquered

OUR SCHOOL corridors were invaded last week as Y4 took part in a Roman Workshop and Y5 spent the day experiencing life as Vikings. The children threw themselves enthusiastically into the days activities including cooking Roman biscuits from the period using honey, oats and cinnamon, and learning to make traditional mosaics. Viking activities included using runes, reading and writing Viking riddles and learning about Viking burial customs.

The People's Choice

DEMOCRACY COMES to life and every vote counts! ACE School Elections took place last Thursday with the Y6 children running for House Captains and Sports Captains. They delivered speeches to their houses to secure the votes of their supporters. All the children that ran for election did exceptionally well, displaying confidence and maturity.

Well done to all those children that were successful in their campaigns.

School Photos - Take Two

WE WERE hugely disappointed with the school photographs that were taken of the children this term. The school has made the decision to employ a new company to retake the photographs. The date has been scheduled for Thursday 5 November. We have been assured that they will be returned promptly. As before, please send your children into school wearing smart school uniform with a brush or comb if needed.
