

## Who is Rosalyn?

YOUR children may have come home from school and spoken about Rosalyn, so you may well be asking this question. Let us enlighten you!

Rosalyn is a Lay Minister with St Hilda's church and since the retirement of Father Chris she has been leading services along with Carolyn Clark until an appointment of a new vicar has been made.

Rosalyn comes along to our school every Friday to lead worship and help us understand the word of God.

She has a long history in the church and had her own Sunday School class by the age of 18. She has worked with Brownies and Scouts and is still an active support to the Scouts.

It may surprise you to know that Rosalyn is a proficient tap dancer having started Ballet and tap at the age of 3. Rosalyn is still tapping away and appears in dance shows—most recently Sleeping Beauty. Catch her this year playing the wicked witch in St Hilda's Panto.

## Breaking the code

WHAT happens at Heathrow Airport? It's not all about going on holiday as Year 6 children found out this week.

They were set the challenge of using coding to code up to 5 routes to get their cargo to the right terminal. The workshop saw the children working in teams with each child having the opportunity to practise coding. The task also enabled them to develop their communication and social skills.

## Snappy snaps

HAVE you got what it takes to be a good photographer? If you think you have then why not enter this year's photography competition.

This week you will have received by email the details and instructions for entering so get snapping and get your entry in by Friday 13 October.

## High Aspirations

EVERY September each class set out their aspirations for the year

ahead. Check

your email inbox or visit [www.ashford-primary.sch.uk](http://www.ashford-primary.sch.uk) to find out more.

In addition, you will also receive by email, curriculum newsletters for your child's year group.
