

Put your best foot forward

INTER House Football competitions kick off on Thursday with the finals on Friday, weather permitting.

Mr Austin will be organising the two-day event which he launched. It has become the first major House challenge of the school year.

Children will join in various competitive challenges. Years 1 to 3 will work together. Years 4 to 6 will be competing on boys and girls teams in fun matches.

Reception will have a special event later in the year when they have had a chance to settle into school life.

Children should have their PE kit in school for the events. And if you haven't got a 'house colour' T-shirt, the PTA still have a few available. Pick up a form from the school office or chat to Mrs Wilsher who is often in the playground at morning drop off and afternoon collection times. T-shirts cost £3.50.

ROB Comber, pictured left, of the Goldhawks basketball club in school this week giving demonstrations about the club's basketball sessions.

Rob talked to the children during Collective Worship about the sport and how it helps develop team spirit and co-operation as well as keep you fit and healthy. The club are offering a pre-school session once a week; if you are interested, please pick up a leaflet from the school reception area.

OUR NEW school kitchen is almost ready.

When the cooks can use the new equipment, we will be extending the children's meals.

Mondays have been a vegetarian day for the whole school since the beginning of term. This will continue. And this coming Thursday, 2 October, Mrs Thornborow will be cooking her amazing roast chicken dinner with chocolate cornflakes for pudding.

Roast is probably the most popular dinner in school at the moment; if you haven't tried it, book in for Thursday!

Help make a difference

DO YOU know what PTA stands for? It's not Parents Talk A Lot, it's actually Parent Teacher Association. And that's what we at ACE have. An amazing PTA. It's run by a fabulous team of parents from different year groups in the school. On 7 October the PTA is holding their AGM. As well as a chance to meet the amazing team, you can indulge yourself with a delicious traditional cream tea and find out more about what your money buys for the school. In fact the AGM marks the PTA's 70th Anniversary and it will be a PLATINUM afternoon. Drop into the hall from 3:15 on. Current pupils will be looked after with a DVD and a special treat.

Don't forget ...

IF YOU missed your *Meet the Teacher* days, please pick up a Curriculum Letter for your year group and a booklet about how you can help your child at home from the school office or lobby.

Our Winners

CONGRATULATIONS to our School Raffle winners. Over the next two to three weeks they will be enjoying their prizes.
